

African Low-Voltage Distribution Box Brand Manufacturer

Overview

Brands like York, Okari, Enlec, Utilec ©, PSO1 and PSO2 are well known in the South African market and are all solely manufactured by Allbro in South Africa. Local manufacture to international standards means that products are suited to the rigors of an extremely tough local. With the acquisition of ABB's South African enclosure business (York) in 2011, Allbro also became a leading supplier of non-metallic enclosures to the industrial, commercial and residential contracting trades. At our fully equipped manufacturing, assembly and wiring facilities in Gauteng and the Western Cape, we produce all components of our products in-house. We offer the one-stop solutions for all your medium. This metal power distribution box is designed for power distribution in African markets. Golnix is situated in George (Southern Cape). We supply products throughout South Africa, Namibia and Africa. Golnix was founded in 2001, and have been providing quality products and. With years of experience in both Electrical Consulting and Manufacturing of Low-Medium Voltage Switchgear Panels, Distribution Boards SA (PTY) Ltd is fully equipped to handle projects of greater complexity and scale. Our team consists of ECSA registered Professionals and highly trained Engineers.
