

Belgian optical module manufacturer

Overview

Founded in 2024, Estel design and manufacture optical modules needed for telecom, datacom, defence and space communication infrastructures. ESTEL's mission is to innovate and provide state-of-the-art optical communication solutions, designed and manufactured in Europe, to propel our customers'. AMOS develops and produces high-precision optical instruments, mechanical and optomechanical systems, and test equipment for astronomy, space, telecommunications, laboratories and industry. We build high-accuracy telescopes in the range 50cm - 4m, telescope subsystems for the largest telescopes in. Identify and compare relevant B2B manufacturers, suppliers and retailers Max. EQIC - European Quantum Industry Consortium The company is actively involved in the EPIC (European Photonics Industry Consortium), which supports the growth of the photonics community in Europe. Teledyne ICM is a global company that has been active for over thirty years. It specializes in the. These (opto-)electronic devices allow data transmission over copper and fiber cables. A wide range of form factors are available allowing data rates from 100Mbps up to 800Gbps. Skylane Optics offers the full range of transceivers with an unique set of services, such as testing, coding. Article Content

Global Optical Transceiver company

ESTEL is a European Optical sub-assembly manufacturer dedicated to system provider for telecom and datacom application.

Optical lenses Manufacturer/producer Belgium

19 suppliers for optical lenses Manufacturer/Producer Find wholesalers and contact them directly B2B marketplace Find companies now!

Belgian Optical Supply

Find company research, competitor information, contact details & financial data for Belgian Optical Supply of Kuurne, West-Vlaanderen. Get the latest business insights from Dun & Bradstreet.

BOSVision

BOS or Belgian Optical Supply is a manufacturer of Custom-Made RGP contact lenses. We're also specialized in private label contact lenses and solutions.

Belram: Connectors & Cables Supplier in Belgium and

BELRAM is the major distributor, in Belgium and Luxembourg of connectors, cables, interconnection systems and accessories for professional applications.

Belgian Optics/ Mounts/ Electronics suppliers

The wholesalers listed on our website are able to fulfill large bulk orders of Optics/ Mounts/ Electronics, making it easy to import and export Optics/ Mounts/ Electronics to and from Belgium.

Leading provider of transceivers for optical communication

Large stock in Belgium, linked to an efficient logistics center, allows us to ship to you quickly. Our products are compatible with all major brands. Transceiver stands for

AMOS | High-Precision Optical and Mechanical Systems

We design and manufacture high-accuracy optical, mechanical and opto-mechanical systems for astronomy, space, science and industry. Discover more about AMOS.

optical manufacturing Belgium | B2B companies and suppliers

Tokai Optecs, a Belgian-Japanese joint venture, was established in 1995. The close collaboration between Tokai Optecs and Tokai Optical Japan fosters the continuous development of new

Laser2000

Laser 2000 Benelux is a high-tech, value-adding distributor of photonics products and OEM design-ins. Our team of product specialists work daily in academic, industrial and life science markets; from

Top Optical Transceiver Manufacturers List (2024)

Explore the top optical transceiver manufacturers and their market share. Stay informed about revenue figures and the latest developments in the

Exosens brand : Xenics | Exosens

Xenics is a designer and manufacturer of infrared sensors, cores and cameras that deliver unparalleled Electro-Optical performance and functionalities.

Optical Manufacturer/producer Belgium | B2B companies and

NETOPTIC is a Belgian family-owned company specializing in the creation and sale of optical and sunglasses to an optician clientele. The brands it offers are: Kinto, Akarti, and Delvaux.

fiber optic Belgium | B2B companies and suppliers | europages

32 suppliers for fiber optic Belgium Find wholesalers and contact them directly B2B marketplace Find companies now!

Top 100 Photonics Companies in Belgium (2026) | ensun

Lambda-X specializes in providing innovative optical systems, particularly for ophthalmic lens manufacturers. Their expertise in optical engineering and collaboration with customers positions

Top 10 Optical module manufacturers in the World 2025

Are you curious about which optical module manufacturers stand out in today's competitive market? Understanding the top factories is crucial for making

À propos

Besides entirely manufacturing the network hardware in Europe, we are also designing and implementing the firmware within the optical modules in conformity with the EU Cyber Resilience Act

Fibre Optic Transceiver Module & Cable Solutions

FS optical transceiver/cable solutions provide global telecom/data center operators with ability to implement optical connectivity at data rates up to 400Gb/s and link distances up to 160km.
