

Canada acquires optical modules

Overview

On May 1 st, 2025, Yotta Capital Partners (“Yotta”), a French private equity firm, and its portfolio entity, Fiber Optics Group (“FOG”) acquired FiberTech Optica. Canadian company FiberTech Optica, founded in 2000, designs and manufactures a wide range of specialty fiber optic assemblies, including. Evry-Courcouronnes, France, May 5, 2025 - Fiber Optics Group (FOG) is pleased to announce the acquisition of Canadian company FiberTech Optica (FTO), a specialist in integrated fiber optic solutions for scientific, industrial, and space applications. This strategic operation enables FOG to. Ortel LLC of Alhambra, CA, USA (which was acquired by Photonics Foundries in 2023, and offers products for wireless, sensing, satcoms and broadband applications) has transferred wafer fabrication for its flagship C-band, high-power, continuous wave laser module platform to pure-play III-V. Ontario's technology sector is getting a major boost as Ranovus announced a C\$100 million (US\$73 million) expansion of its optical semiconductor manufacturing facility in Ottawa. The project will create 125 new jobs and increase domestic production of advanced chips used in artificial intelligence. Smiths Interconnect, a leading provider of technically differentiated electronic components, subsystems, microwave and radio frequency products, today announces that it has completed the acquisition of Reflex Photonics, Inc. 1 Centennial Optical distributes ophthalmic frames, eyeglass lenses, sunglasses, lab supplies, and optical accessories. “We continuously seek new opportunities to deliver greater value and drive.

FOG • Fiber Optics Group acquires Canadian company FiberTech

FOG • Fiber Optics Group acquires Canadian company FiberTech Optica Evry-Courcouronnes, France, May 5, 2025 – Fiber Optics Group (FOG) is pleased to announce the acquisition of Canadian

Avago agrees to sell optical modules business to

Avago has further agreed to act as worldwide sales agent for its former optical subsystems line after the deal closes through a strategic partnership with FIT.

Ortel transfers C-band high-power cw laser from Emcore fab to

Since 2004 it has accrued expertise in fabricating semiconductor lasers, optical amplifiers, high-speed modulators, micro-LEDs, and gallium nitride (GaN) RF ICs.

TeraXion acquires modulator expertise from COGO Optronics

TeraXion Inc. has acquired COGO Optronics Canadian Subsidiary, a developer of high-speed optical modulators based on indium phosphide (InP), along with intellectual property assets...

Fiber Optics Group acquires Canadian company FiberTech Optica

Canadian company FiberTech Optica, founded in 2000, designs and manufactures a wide range of specialty fiber optic assemblies, including bundles, patch cords, high-power laser cables, reflectance

FOG acquires Canadian company FiberTech Optica

Fiber Optics Group (FOG) is pleased to announce the acquisition of Canadian company FiberTech Optica (FTO), a specialist in integrated fiber optic solutions for scientific, industrial, and space

FOG • Fiber Optics Group acquires Canadian company FiberTech

Evry-Courcouronnes, France, May 5, 2025 – Fiber Optics Group (FOG) is pleased to announce the acquisition of Canadian company FiberTech Optica (FTO), a specialist in integrated fiber optic

HOYA announces acquisition of Centennial Optical

HOYA's acquisition of Centennial Optical will allow the companies to better serve the Canadian market by leveraging HOYA's resources and

M5 MacBooks May Use Compact Camera Modules,

Apple's 2025 M5 MacBook refresh is believed to feature a new compact camera module, supplied by Sunny Optical. The new module could

THEON acquires 100% of Germany-based Kappa

THEON acquires 100% of Germany-based Kappa Optronics, the fourth consecutive defense industrial investment in Germany, strengthening

Bishop & Associates Inc.

Smiths Interconnect has completed its acquisition of Reflex Photonics, Inc., a leading global supplier of rugged, high-reliability optical transceiver modules designed to deliver high signal

Smiths Interconnect Acquires Reflex Photonics to Expand in Data ...

Founded in 2002 in Montreal, Canada, Reflex is a recognized global leader in rugged high-reliability optical transceiver modules for space, defence, aerospace, and industrial applications.

AMCC acquires Canadian optical circuit design company

AMCC has previously acquired Cimaron Communications, a network processor company, and Ten Mountains Design, an intellectual-property company. "We're very excited to be joining such

FOG Acquires FiberTech Optica | PDF | Optical Fiber

Its mission is to address the growing needs of high-tech industries with advanced fiber optic assemblies for complex or extreme environments,

Smiths Interconnect acquires Reflex Photonics

Smiths Interconnect announces that it has completed the acquisition of Reflex Photonics, Inc. ("Reflex") to expand in the high-speed data

Avago to acquire InP component maker CyOptics for \$400M

San Jose, CA, Singapore, and Lehigh Valley, PA --Communications, industrial, and consumer optoelectronic and fiber-optic component manufacturer Avago Technologies (Nasdaq:

Fiber Optics Group acquires Canadian SME FiberTech Optica

Canadian company FiberTech Optica is joining forces with Fiber Optics Group to strengthen its global market position in optical fiber assemblies and associated photonic systems.

Optical transceiver maker Reflex Photonics acquired by

Smiths Interconnect has announced that it has completed the acquisition of Canadian company Reflex Photonics, Inc., founded in 2002 in

Ranovus Expands Optical Chip Manufacturing in Canada

Ontario's technology sector is getting a major boost as Ranovus announced a C\$100 million (US\$73 million) expansion of its optical

Teraxion acquires Cogo Optronics' Canadian subsidiary

Optical components and modules maker Teraxion has acquired Cogo Optronics' Canadian subsidiary and associated intellectual property assets

Zayo acquires Optic Zoo Networks for \$25M, deepens Canadian fiber

Zayo took the time to start out the new year with a tuck-in acquisition of Vancouver-based Optic Zoo Networks, a deal that will expand the service provider's fiber diet in Canada to serve digital

Optics & Photonics News

IDEX Corp., a conglomerate based in Northbrook, IL, USA, that provides specialty-engineered products for a wide variety of industry clients,

HOYA Vision Care Acquires Centennial Optical

About Centennial Optical Founded in 1967, Centennial sells optical goods and services to Canadian Eye Care Professionals (Optometrists and Opticians), optical laboratories and optical

FOG Acquires FiberTech Optica | PDF | Optical Fiber

When FOG becomes LIGHT FOG • Fiber Optics Group acquires Canadian company FiberTech Optica Evry-Courcouronnes, France, May 5,

Smiths Interconnect acquires Reflex Photonics

Smiths Interconnect announces that it has completed the acquisition of Reflex Photonics, Inc. ("Reflex") to expand in high speed data transmission market. Founded in 2002 in Montreal, Canada, Reflex is a

DZS Acquires Canadian Optical Networking Vendor

DZS, a global leader of mobile transport, broadband access and enterprise networking solutions, last week announced it has signed a definitive

Fiber Optics Group acquires Canadian company FiberTech Optica

On May 1 st, 2025, Yotta Capital Partners ("Yotta"), a French private equity firm, and its portfolio entity, Fiber Optics Group ("FOG") acquired FiberTech Optica.

QSFP Optical Module Planning for the Future: Key Trends 2026-2034

Explore the dynamic QSFP optical module market, forecast to reach \$14.7 billion by 2025 with a 4.5% CAGR. Discover key drivers, trends, and applications in high-speed networking and data
