

Distribution Box Wiring Markers

Overview

After following the appropriate wire color codes, there are several wire markers and cable labels to choose from, including heat-shrink sleeves, wrap-around cable labels, self-laminating labels, flags, and rigid tags. Our MultiCard, MetalliCard, MultiMark, and CableLine markers make it easy to clearly mark conductors and cables. Thanks to this diverse range of options, we offer you the perfect solution for many different requirements. The wire and cable marking portfolio includes cable labels, self adhesive labels, cable markers, printable shrinkable sleeves and tubes, self-laminating cable labels, label dispensers, pre-printed cable. The markers and marking systems offering covers all the needs for electrical panel identification: markers and labels for terminal block, wire & cable, component & equipment. Up to 1400 models available and even more with our on-demand customization service. Our comprehensive range of marking solutions provides clear, durable identification for wires, cables, terminals, and electrical components in industrial. We are Partex, a family-owned company with 75 years of experience in industrial marking systems. Accessories Everything for wire & cable management.
