

# New Zealand Ladder Cable Tray Installation Company

## Overview

Local manufacturing of trays, ladders, baskets and framing with reliable supply and proven quality. Our FRP cable ladder systems are equipped with required fittings like tee sections, cross sections, internal and external bends of different degree (45o and 90 o), horizontal bends, couplers, anchoring, reducers and support systems. Click the Design details link for access to a large library of BIM-enabled 2D and 3D CAD roofing details. MSS designs, manufactures, supplies and installs complete cable containment systems for commercial, industrial and infrastructure projects across New Zealand. Backed by the Legrand Group and more than fifteen years of local experience, we provide reliable, high quality solutions supported by a team. We have a full range of FDG Cable Tray, Cable Ladder, Cable Basket and other Support Products for Cable Systems in stock and ready to deliver. Tilley & Patton Ltd provides a comprehensive design and manufacturing service throughout New Zealand, specialising in sheetmetal products and components.
