

Why can't the distribution box be recognized

Overview

133 is commonly associated with non-delivery reports (NDRs) for external senders trying to email a distribution group. Configuration changes can be made through the Microsoft 365 Admin Center, Exchange Admin Center, or PowerShell. This topic discusses how to solve distribution group (also known as distribution list) issues that you may run into when using Microsoft 365. To find and edit existing groups, go to Groups > Groups in the left pane, select the group you want to review or edit, and then select Manage. There could be. Got a strange case today, a user was complaining about her cannot receive emails from a distribution list where supposed a mailbox was sent multiple emails but nothing comes in her Inbox. In this post I'll demonstrate the troubleshooting process along with the resolution. more Just insert the old batteries into the drill and every house needs this but no one does it! If Your Dog Stretches When They See You. This Is What It Really Means She's 12.
